

In celebration of Jewish American Heritage Month:

Author Book Talk & Signing

Co-sponsored by The Jewish Genealogy Society of Greater Washington

“The unspeakable tragedies and improbable triumphs of the European Jewish diaspora in the 20th century have been told many times but rarely quite so compellingly as in David Laskin’s *THE FAMILY*. Mr. Laskin’s chronicle could have been written in tears—of torment and scarce joy—and it is at once anguishing and inspiring.”—Wall Street Journal
